Charges

Please be advised that a warehousing charge of 4,23 € per day from the seventh working day from this advice will be made.

Customs processing/Service charges: 21,50 € net

The pre-paid charges, customs and taxes will be invoiced to you.

General

Purchases from foreign (not European) countries are customs compulsory with a value from 22,00 €, inclusive of the posting/dispatch costs.

Medications, medicine is not importable without a valid Chemists order or doctors prescription.

Fish, meats and other animal or plant products are not importable without a valid veterinary certificate or plant protection inspection where extra costs will occur, please contact us in such cases on 0541-9114600.

Gift items from private persons to private persons must also declare **(not internet/EBay transactions)** and clearly list contents including each individual value, indicating new or used merchandise. Such items are customs compulsory and have a tax free value up to approximately 45,00 €.

For onforwarded luggage items, in addition to a list of contents including each individual value, indicating new or used merchandise, a copy of the flight ticket or a arrival/departure stamp of the Chinese authorities.

Returned / repaired merchandise must be specifically declared, please contact us at the telephone No. 0541-9114600.

All related costs for the import of items are always the liability of the consignee/recipient. The transport costs paid by the consignee do not cover these costs.
